### No Additional Cost to the Family

The APASI-Go REPATRIATION PLAN fully coordinates the return of mortal remains to the family's home when a death occurs far from the usual residence or in another country. APASI Go acts as the expert coordinator the family needs — managing authorities, legal procedures, and complete logistics without the family paying a single cent.

✓ **Activates 75 miles or more from home**

No geographic restrictions. The plan operates in any country where the death occurs.

✓ **Full transfer cost covered at 100%**

ZERO EXPENSE for the family. All coordination and transportation costs are included without exception.
